

TO: Michael Powell, and the rest of the members of the Federal Communications Comission:

I respectfully submit that I have a right to benefit from listening to XM Satellite Radio and its traffic and weather channels. Satellite radio provides variety and quality that are not available in Oklahoma City. Local broadcasters, like Clear Channel Communications, Citadell, and Renda own all the local stations, and they fill the public's local airwaves with way too many commercials, on the same 6 or so music formats. I pay for the services I receive on XM Radio and it should not be up to the National Association of Broadcasters, AKA Clear Channel, to dictate what I am permitted to hear. I respectfully urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve.
